DEVELOPMENT SECRETARIAT.

Utilisation of Education Cess in Kolar District.

READ—

Government Order No. L. 8941-2—L. B. 67-26-5, dated the 23rd June 1927, sanctioning the levy of Education Cess in Kolar District, at six pies in the rupee on all items of revenue on which local cess is levied, with effect from 1st July 1927.

2. Correspondence ending with letter No. D4 3883—27-28, dated the 31st January 1929, from the Director of Public Instruction, submitting for orders, proposals for the utilisation of Education Cess realised in Kolar District with his remarks on the several resolutions of the District Board.

ORDER No. D. 9615-17—EDN. 326-28-3, DATED 19TH MARCH 1929.

The estimated income from Education Cess in Kolar District is Rs. 90,000. After setting apart one-tenth of the total revenue as a reserve against possible fluctuation, etc., the amount available for expenditure is Rs. 81,000. The District Board, Kolar, who were consulted in the matter of utilising the cess realisations in the District are agreeable to (1) the conversion of 107 aided schools into Government institutions; (2) the opening of 115 new primary schools and (3) the improvement of the staff of 35 of the existing primary schools.

But as the conversion of 7 of the aided schools and the improvement of the staff of 4 of the existing primary schools require further scrutiny, the Director requests sanction for the conversion of 100 aided Primary Schools, the opening of 115 new Primary Schools and the improvement of 31 existing Primary Schools (*vide* lists A. B. C. appended hereto) with effect from 1st June 1929 involving a total recurring and non-recurring expenditure of Rs. 47,265-8-0 and Rs. 34,250 respectively as detailed in the margin, the non-recurring expenditure being met out of the accumulated income for 1927-28 and 1928-29.

	Recurring	Non-recurring
	Rs.	Rs.
1. Conversion of 100 aided Primary Schools.	12,396	15,000
2. Starting of 115 New Primary Schools.	26,926½	17,250
3. Improvement of 31 existing Primary Schools.	7,948	...
Cost of transmission of equipment.	...	2,000
Total ...	47,265½	34,250

The proposals of the Director of Public Instruction, as agreed to by the District Board, are sanctioned with effect from 1st June 1929.

In this connection, the Director of Public Instruction invites reference to the resolution of the District Board to the effect that the cess income may be spent only on Primary Education and states that with the expansion of Primary Education consequent upon the addition of new primary schools, the need for greater facilities for Middle School Education will automatically arise and that it is necessary to increase the existing number of middle schools in the District to meet the demands of the pupils in respect of middle schools.

Government wish to point out to the District Board, Kolar, that it is an accepted principle that Middle School Education and practical instruction are also a legitimate charge on cess funds of the District and that in all other Districts, the cess income is being utilised for Middle School Education as well.

The Director of Public Instruction is requested to forward proposals, in consultation with the District Board, Kolar, in regard to Middle School Education and practical instruction, in connection with the utilisation of the balance of cess realisations.

N. RAMA RAO,
Secretary to Government,
Development Departments.

A.—List of Aided Primary Schools converted into Government Institutions in the Kolar District.
